A very eye-catching bull from head to tail. Long necked, smooth shouldered and balanced from chest to flank. Tons of hair with a wide hip for his smaller frame. These Wrath sons are sound just like their papa. Out of a very powerful cow, that is also very sound structured. She has 4 daughters in herd. Top EPDs: 45%BW.

Recommended for heifers. Patterned a lot like his sire, with that depth of body, heart girth and fleshing ability. His dam has averaged 76 lbs birth weight on her 6 calves but they really grow. She has moved from Elite to Premier dam this year. Sons sell to Horton Land & Cattle, T Leisteimer, Hanson Ranch, one son 10B used in herd, Top EPDs: 40%BW, 35%WW, 30%CE, 30%MCE.

Recommended for heifers. Smaller frame, big foot, and good heel depth. Out of a really nice, easy fleshing, pear shaped, Chinook daughter, that's double bred calving ease on the bottom side. Her average birth weight on 3 sons and 1 daughter was 74lbs so there's some consistency in CE and BW. His dam's had sons sell to C & N Schock and J Hassett.
